To whom it may concern,

My name is Doug Goddard. I am 45 years old and have watched our government lead our country down a path of anything goes immorality over the past 5 years and I am asking you to stop.

Please not only hold the current status quo on decency but help us set healthy boundaries for kids and adults alike that will not promote but prevent many of the addictions that are prevalent in society today.

We need to be protecting our children and youth from the wrongs of the world and helping them grow up in wholesome and healthy environments not expose them to things that will hurt, harm and negatively affect them for a life time.

Images and words are two powerful things we as humans have at our disposal. We can use them to encourage and inspire or tear down and taint peoples lives.

Again, please continue to set boundaries of safety within our society and hold strong to the traditional values our country was founded upon.

Sincerely by His grace,

*Doug Goddard
